

**Stereotactic Radiosurgery Study Group**  
**11<sup>th</sup> Annual Meeting**  
**September 17, 2016**  
**Hilton Bayfront – Room: Indigo GH**  
**8:20 – 9:50 am**

- 8:20 – 8:25 **Welcome and Introduction**  
*P. Ashley Wackym, MD*  
*Professor and Chair*  
*Department of Otolaryngology – Head and Neck Surgery*  
*Rutgers Robert Wood Johnson Medical School*  
*New Brunswick, New Jersey*
- 8:25 – 9:00 **Treatment of Acoustic Neuromas with the Leksell Gamma Knife®**  
*Steven J. Goetsch, PhD*  
*Director of Medical Physics*  
*San Diego Gamma Knife Center*  
*San Diego, California*
- Treatment Outcomes in Acoustic Neuroma**  
*Kenneth H. Ott, MD*  
*Neurosurgeon*  
*San Diego Gamma Knife Center*  
*San Diego, California*
- 9:02 – 9:17 **Neurotologists Performing Stereotactic Radiosurgery:  
Credentialing Challenges**  
*Barry E. Hirsch, MD*  
*Professor*  
*Department of Otolaryngology and Communication Sciences and Disorders*  
*University of Pittsburgh School of Medicine*  
*Pittsburgh, Pennsylvania*
- 9:18 – 9:25 **Malignant Transformation of a Vestibular Schwannoma**  
*Brendan P. O’Connell, MD; Jacob B. Hunter, MD; Reid C. Thompson, MD*  
*David S. Haynes, MD; and Alejandro Rivas, MD*  
*Vanderbilt University School of Medicine*  
*Nashville, Tennessee*
- 9:26 – 9:33 **SRS Re-Treatment of Facial Nerve Schwannoma**  
*Stephen P. Cass, MD*  
*University of Colorado*  
*Denver, Colorado*
- 9:34 – 9:41 **Stereotactic Radiosurgery vs. Facial Nerve Schwannoma:  
And the Winner Is?**  
*Colin L. W. Driscoll, MD*  
*Mayo Clinic*  
*Rochester, Minnesota*
- 9:42 – 9:49 **Histologically Confirmed Malignant Transformation of  
a Vestibular Schwannoma**  
*Ksenia A. Aaron, MD; Elina Kari, MD; Kyle Hurt, MD; Steven L. Giannotta, MD*  
*Keck USC School of Medicine*  
*Los Angeles, California*
- 9:50 **Closing remarks/Adjourn**
