

INFORMATION FOR PROPOSERS of ANS MEMBERS

Dear Sir/Madam:

To aid in the meaningful evaluation of your Candidate, the Membership and Credentials Committee would very much appreciate any information you may consider helpful, including your comments on the following topics:

- Length of time known and relationship between the Candidate and the Proposer
- Professional ability
- Neurotological experience and activity, past and present
- Active participation in professional organizations and functions
- Moral character

Please send your letter electronically; the letter of recommendation must be on official letterhead and include your electronic signature. Please scan and email to administrator@americanneurologysociety.com
