

# MIGRAINE APPRENTICESHIP PROGRAM

**Empowering Advanced Practice Providers to Improve Migraine Management**

This pilot Migraine **APP**renticeship program by the *Association of Migraine Disorders* offers APPs in otolaryngology the opportunity to shadow ENT healthcare providers who specialize in migraine diagnosis and treatment.

Clinical sites' subspecialties include neurotology, pediatrics and general ENT.

No previous experience in migraine required.

**Program begins in Spring 2025.**

**5** clinical sites across the United States

**\$600–\$1,000** grant per student

**8-28 hours** of clinical shadowing
