

**OTOLOGY/NEUROTOLOGY FACULTY****Assistant, Associate or Full Professor**

**Job Description:** The Department of Otolaryngology at the University of Florida is seeking applicants who wish to pursue an academic career in Otolaryngology/Neurotology at the rank of Assistant, Associate, or Full Professor. Tenure status and academic rank will be commensurate with experience. The department has 16 faculty members and 15 residents. The desired candidate should possess a strong commitment to both clinical practice as well as resident teaching. Fellowship training in Otolaryngology or Neurotology, or significant comparable clinical experience in such fields is desired. Applicants should be board certified or board eligible in Otolaryngology or Neurotology, and licensed (or eligible) to practice in Florida.

**Expected Salary:** Salary is negotiable, commensurate with education and experience.

**Minimum Requirements:** Applicants should be board certified or board eligible and licensed (or eligible) to practice in Florida.

**Preferred Qualifications:** Strong interest in clinical care, teaching and research. Fellowship in neurotology/otology is strongly encouraged.

**Special Instructions to Applicants:** Applicants should provide a current CV and cover letter outlining their interest and qualifications. References will be requested during the application process.
